

# Create your own Field of Flags

**DAV**<sup>®</sup> Disabled American Veterans  
**FIELD OF FLAGS**

Each flag in your Field of Flags honors a different hero. And behind each flag is a unique story — a story about courage and freedom. A story about sacrifice. A story worth honoring.

DAV's Field of Flags empowers schools like yours to turn outdoor spaces into patriotic memorials, all to honor local veterans and raise critical funds to support our ill and injured heroes.

Create your own Field of Flags by displaying flags on your school lawn or athletic fields. It's also a great way to complement your school's Veterans Day ceremony!

Each flag represents one veteran — and our unwavering commitment to serving all veterans after they've sacrificed so much for our country. DAV will mail you a flag kit for you to create your own Field of Flags the week of Veterans Day.

**All donations raise critical funds to support DAV's life-changing services for veterans in need and their families.**
