

DAV statement on the passing of Sen. Bob Dole

DAV is saddened to learn of the passing of an American hero. A DAV life member, part of our Greatest Generation, and the embodiment of devotion to others, Sen. Bob Dole represented the selfless service of all who wear our nation's uniform and will forever stand as a giant among those who advocate on their behalf. Our thoughts are with his beloved Elizabeth, who stood by his side as a loving wife and caregiver for nearly five decades. We wish his family comfort in this time of immense loss and extend our gratitude to them for sharing his noble spirit with us all. May he rest in honored glory among those with whom he served and sacrificed.
