SUBJECT: Candidates for National Office

As you know, the nomination and election of national officers will take place during the 2023 national convention in Atlantic City, New Jersey. It has long been our practice to provide our members with information about the candidates in the issue of DAV Magazine, published prior to national convention. Any interested candidate should submit the enclosed National Candidate Questionnaire along with a photograph to my attention at national headquarters no later than February 17, 2023.

While it is encouraged that anyone running for office announce their candidacy to our membership in the magazine, it is not a requirement. Members may declare their candidacy at any time, up to and including the time of election at our national convention in Atlantic City, August 5-8, 2023.

The information published in the DAV Magazine is intended to inform our membership about the announced candidates for national office, and does not constitute an official endorsement or approval by the national organization of any candidate or exclude others who may stand for election.
