DAV's Mission Statement

We are dedicated to a single purpose: empowering veterans to lead high-quality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life.

This mission is carried forward by:

- Providing free, professional assistance to veterans and their families in obtaining benefits and services earned through military service and provided by the Department of Veterans Affairs (VA) and other agencies of government.
- Providing outreach concerning its program services to the American people generally, and to disabled veterans and their families specifically.
- Representing the interests of disabled veterans, their families, their widowed spouses and their orphans before Congress, the White House and the Judicial Branch, as well as state and local government.
- Extending DAV's mission of hope into the communities where these veterans and their families live through a network of state-level Departments and local Chapters.
- Providing a structure through which disabled veterans can express their compassion for their fellow veterans through a variety of volunteer programs.?

Who can I contact for help

DAV **benefits experts** are available across the country to help veterans navigate their VA benefits and provide counseling for veterans on claims and appeals—all at no cost to the veteran. Find your office using the locator to the right.

One of the most confusing aspects of filing for service-connected disability compensation is figuring out how the Department of Veterans Affairs establishes a rating. Below we will show you how VA calculates disability ratings so you can be better informed when discussing and making decisions about your claim.

Get VA Benefits Claim Assistance Now

Find your local DAV office. They will help you file a claim and stick with you all through the process, because no veteran should have to go at it alone.

STRENGTHEN OUR COMMUNITY OF VETERANS

You can strengthen our community of veterans helping veterans.

DAV's network of nearly 1 million members powers our mission to improve the lives of veterans and their families—through programs in local communities and advocacy efforts on Capitol Hill.

The Recruit A Warrior program adds incentive to that impact.

Each spring and fall, DAV life members have the chance to win \$1,000 through the Recruit A Warrior program.

HERE'S HOW IT WORKS

1. Generate your personal referral link using the form below during an active challenge.
2. Share your link with other veterans—on social media, by email or in person.
3. Earn entries by recruiting new paid members. Each new paid member who joins through your link counts toward your recruitment total and is an entry for the \$1,000 prize announced at the end of each challenge.

DAV Recruitment Resource

DAV RECRUITMENT RESOURCE

Your ability to get your fellow veterans to join DAV takes continued familiarization with all facets of our mission and life-changing services. You can use these tools to help set you up for success.

When time is short, start with a 30-second elevator speech:

Why should I join DAV?

DAV's lifetime of support for veterans of all generations, their families and their survivors serves you and your fellow veterans.

Every year, our no-cost services help you and your brothers- and sisters-in-arms access the benefits and health care you've earned. DAV connects fellow veterans with meaningful employment. DAV advocates for our rights on Capitol Hill. As the nation's most resourceful patriotic charity, we've focused on keeping the promise to American's veterans and taking care of each other for more than 100 years. Your membership helps DAV extend its mission of service and hope to those who truly need it.

When you have more time, dig deeper into the mission. Tell them to explore dav.org.

Who is eligible to join DAV?

You are eligible to join DAV if you were not dishonorably discharged and sustained an injury or illness while in the military (whether service-connected by the Department of Veterans Affairs or not) or you aggravated a previous injury and you served during a period of armed conflict or under conditions simulating war. Your service didn't have to be in direct combat. Find out more at joindav.org.

What is the value of DAV membership?

Your membership helps provide no-cost programs and services such as claims assistance, rides to VA medical appointments, and outreach to homeless and at-risk veterans. Membership brings fellowship and a chance to continue your service by getting involved to assist others in your community. You also add your voice to a powerful chorus

of over 1 million veterans across the nation advocating for legislation that will affect you directly. Your membership is what you make it.

Why does DAV have membership dues?

We are stronger together. Membership in DAV empowers us through camaraderie and legislative action. While part of our dues helps produce *DAV Magazine* to keep you informed about important issues, a part of these funds are also redistributed to support vital programs and services in your community.
