SUBJECT: 2026 National Convention Registration

Registration for the 2026 National Convention is now open. To register in advance, simply go to <https://dav.la/4nzBeWX> and enter your membership number. You no longer need to wait for the delivery of a credentials letter to begin this process. Before clicking the “pay now” button, don’t forget to register any guests who’ll attend the convention with you including attendees who aren’t delegates and guests under age 18.

By registering early, you’ll be able to go directly to Will Call at the designated area in the Gatlin Foyer and pick up your name badge and bag. You can also register at the convention by going to the registration office located in Gatlin A1 (level 1). There is a \$35 registration fee for each delegate, alternate delegate, member and guest (age 18 and older).

If you plan to attend the Introduction of National Officers Dinner, you must make a reservation when preregistering online or at the registration office before 4 p.m. Sunday, Aug. 2. Dinner reservations can also be made or cancelled at the designated table near Will Call.

Note: We no longer issue physical tickets for the Introduction of National Officers Dinner. Instead, we’ll send an email the morning of Tuesday, Aug. 4, to attendees who made a reservation. The email will note the assigned table number along with instructions for checking in at the dinner entrance.

If you have made a reservation, but no longer plan to attend the dinner, be sure to cancel before 4 p.m. on Sunday so no unnecessary meals are purchased. As a reminder, credentials will be required for entry into most events during the convention. I look forward to seeing you all.

A handwritten signature in black ink, appearing to read 'Lamarr Couser', is positioned above the printed name and title.
