August 1, 2026

Greetings!

It is my pleasure to welcome you to the ***Disabled American Veterans 104th National Convention!***

I commend the Disabled American Veterans (DAV) for its unwavering commitment to "*Keeping Our Promises to the Men and Women Who Served.*" For more than a century, DAV has been a powerful advocate for our nation's veterans, helping veterans and their families secure more than \$28 billion in earned benefits. Through its nationwide Transportation Network, DAV has provided millions of free rides to VA medical appointments, ensuring that veterans have access to the healthcare they have earned. With nearly 1,200 chapters, DAV continues to champion legislation, employment opportunities, caregiver support, and critical services that improve the lives of wounded, injured, and ill veterans and their families.

Florida proudly has the second largest Veteran population in the nation, with more than 1.4 million veterans. In Orange County, more than 72,000 veterans call our community home. For more than 80 years, the Orange County Veterans Services Office has played a vital role in connecting veterans and their families with the benefits, resources, and support they have earned through their dedicated service to our country.

On behalf of the 1.6 million residents of Orange County, thank you for your selfless service and sacrifice to our nation! We are truly honored to host this year's annual convention and wish you a memorable and successful event!

Sincerely,

Jerry L. Demings
Orange County Mayor
