DAV’s Annual National Convention - Celebrating 100 Years!

During DAV’s Annual Convention, approximately 3,000 delegate leaders, members and guests who consist of donors and partner organizations come together to conduct the crucial business of the organization. During this event, our members elect national officers, establish the legislative priorities for the next year, expand their knowledge of the important issues affecting our nation’s veterans, learn new ways to increase advocacy and fundraising and we recognize those who support our congressionally chartered mission, fulfilling the promises of the men and women who have served.

In 2020, DAV will celebrate its centennial anniversary and mark 100 years of service and support for America’s injured and ill veterans and their families. The Disabled American Veterans and Auxiliary (DAV/DAVA) National Convention will be held at the Hilton Anatole in Dallas, Texas, August 1-4, 2020. Please visit our event page for schedules and other information: https://www.dav.org/events/2020-national-convention/

For the first time, DAV will be hosting an Exposition Show in the Anatole’s 73,000 square foot Trinity Exhibit Hall during the National Convention. We welcome government agencies, non-profit organizations and vendors to promote and sell products and services that enable veterans and their families to improve and enjoy their lives to the fullest.

Approved sponsors and exhibitors will receive a 10 x 10 foot booth with an 8-foot high back wall and 3-foot sidewalls. (Please see the Sponsor and Exhibitor Opportunities brochure: https://www.dav.org/wp-content/uploads/2020_DAV_Sponsor_Brochure.pdf for more information and actual booth sizes.) The Exhibition Show hours will consist of more than 21 hours to connect with attendees beginning Friday, July 31 through Monday afternoon, August 3 and will include entertainment in the Hall Friday afternoon into the early evening.

Since the time of our founding, we have stood as an organization of veterans serving veterans as they make the critical transition from military service to civilian life. Today, with a century of service and support under our belts and more than 1 million members in our ranks, DAV continues the fight to make medical care, employment, education and other earned benefits accessible to America’s 4 million disabled veterans.

Please join us this year as we mark this momentous anniversary in DAV’s history of service to the men and women who served!
