**SUBJECT:** Announcement of New Corporate Partner, AirTalk Wireless

---

I am delighted to announce a new partnership with AirTalk Wireless, powered by AirVoice Wireless. AirTalk is an FCC-licensed, government assistance provider offering Lifeline service to eligible customers. As part of this partnership, AirTalk will donate \$50,000 to support DAV's efforts to provide no-cost services to veterans and their family members.

Eligible AirTalk members can receive a free 4G/5G+ LTE smartphone, such as an iPhone or Samsung device, or sim card along with additional benefits such as free data, unlimited talk and text and free international calling. AirTalk proudly serves over 1 million customers and offers Lifeline service in 42 states.

DAV members who are interested in signing up for AirTalk can find eligibility requirements at [airtalkwireless.com/dav-lifeline-application](http://airtalkwireless.com/dav-lifeline-application). Once proof of eligibility is submitted, AirTalk will mail qualifying members their smartphone and monthly service plan to their home within 5–7 business days for free.

We are grateful for AirTalk's generosity and support. Please contact [partners@dav.org](mailto:partners@dav.org) with any questions.

Barry A. Jesinoski  
National Adjutant
