SUBJECT: Partnership with Cornerstone Caregiving

I am pleased to announce a new partnership with Cornerstone Caregiving, along with a generous donation benefiting DAV Caregivers Support. Founded in 2020, Cornerstone Caregiving is a national in-home care company offering a comprehensive range of personalized services designed to meet the unique needs of each client.

Guided by the values of choice, compassion, calling and challenge, Cornerstone is deeply committed to supporting veterans and their families. Through its dedicated programs and resources, they advocate for and assist veterans nationwide at every step of the way. Similar to DAV Caregivers Support, Cornerstone Caregiving understands that each veteran and caregiver needs resources specific to their situation. We are thrilled to welcome a new partner into our ranks that shares this ethos.

We are grateful for their generous support and dedication to America's veterans and their families. For more information, contact partners@dav.org or visit cornerstonecaregiving.com.
