KEEPING OUR PROMISE TO
AMERICA'S VETERANS

Services DAV provides to veterans and their families

Benefits advocacy

DAV service officers provide no-cost counseling on veterans benefits administered by the Department of Veterans Affairs (VA), including disability, health care, pension, survivors' benefits, employment rights, education and more. DAV also provides disaster relief to disabled veterans affected by catastrophes such as tornadoes, hurricanes or floods. DAV service offices can be contacted through **benefitsquestions.org**.

Legislative advocacy

As a nonpartisan organization, DAV seeks responsible legislation to improve benefits and services for disabled veterans, their families, caregivers and survivors. DAV's legislative program is set by the organization's members and focus on issues such as disability compensation, medical care, women veterans, employment and rehabilitation programs, as well as burial and survivors' benefits. Stay up to date on these issues and more at **davcan.org**.

Employment and Entrepreneurship

DAV is committed to ensuring the men and women who sacrificed for America have the tools, resources and opportunities they need to competitively enter the job market, secure meaningful employment or start a business of their own. DAV connects veterans and spouses with employers through our career fairs, while DAV Patriot Boot Camp provides entrepreneurs with intensive training, access to mentors and a wide network of support and resources. Visit **jobs.dav.org** for more information.

Membership program

Our community of nearly 1 million veterans stands together to ensure our nation keeps its promises to America's veterans. At no time since DAV was formed by World War I veterans has the fight for the future of veterans care and benefits been more critical. Joining and supporting DAV helps us protect the health, disability and financial benefits that veterans have earned.

DAV members get exclusive discounts and advantages, stay informed through a free subscription to DAV Magazine, and support DAV's mission by showing lawmakers you're willing to stand up for veterans.

DAV Caregivers support

The no-cost initiative offers tailored support and resources to veteran caregivers or friends, family members and loved ones who are caregivers for veterans. DAV Caregivers Support helps improve the quality of life for care receivers and their caregivers while extending the time those care receivers can live in their own home.
