SUBJECT: Leaf Home partners with DAV

I am pleased to announce that Leaf Home, a distributor of innovative, branded home improvement solutions and services, is honoring its commitment to ill and injured veterans through an exciting new partnership with DAV. With more than 100 locations across the U.S., Leaf Home provides gutter protection (LeafFilter), safety products, water purification, windows and doors, kitchen and bath, and more.

Recently, Leaf Home was recognized by DAV as a Patriot Employer for their commitment to recruiting and hiring veterans. We are grateful to have the support of an organization that supports transitioning service members, veterans and their families.

During the 2024 calendar, Leaf Home will be putting together exciting opportunities to raise awareness of our mission. Stay tuned on DAV's social media accounts for information as it becomes available. For any questions regarding the partnership, please contact partners@dav.org.

Thank you for all you do.
