Additional order blanks are available upon request.

Be sure that your order, on the reverse side, clearly states the quantity desired, any item number mentioned in the price list, the size and price, together with a brief description of each item.

Some items are carried in stock, others must be made to order. If ordered items are not carried in stock, delivery will depend entirely on when the item can be secured from the manufacturer. All prices are subject to change without notice.

Supplies can be ordered online with a credit card at www.DAVstore.org.

Terms of Payment

PAYMENT MUST ACCOMPANY ALL ORDERS AND INCLUDE TAX(IF APPLICABLE) AND FREIGHT. Check, money order or credit card information (Visa, Mastercard, Discover or American Express) must accompany all orders except Forget-Me-Nots. Many items in our catalog are made to order and shipped to you from the manufacturer. Your credit card will be charged the date we enter your order, with shipment following as soon as the item(s) are available. Telephone requests for all items will be accepted for credit card orders between 5:00 AM and 5:00 PM CST.

If, due to price changes or for other reasons, the amount enclosed is not sufficient, your order will be filled at current prices. You will receive a balance-due invoice showing additional funds owed. Please forward this invoice with payment in order to keep your account current.

Delivery

We make deliveries as promptly as possible. If the item is not carried in stock, it will be shipped directly to you from the manufacturer. Please allow 4–6 weeks for delivery.
