How we support all veterans and their families...

Provide resources

- ▶ Each year, we assist with more than 250,000 claims for veterans to receive the VA benefits they've earned and stay with them through every step of the process.
- ▶ We distributed nearly \$1.4 million in emergency financial assistance to veterans impacted by natural disasters in 2017.

-
- ▶ Our benefit experts, who are veterans themselves, know how to navigate the VA system, help veterans obtain benefits and connect them to the support they need.
 - ▶ Our transition advocates, on military bases across the country, provide face-to-face support to help those leaving active duty access their benefits and successfully transition back to civilian life.

Create employment opportunities

- ▶ We sponsor career fairs across the country and online that connect veterans with employers.
- ▶ Our tools, resources and opportunities help thousands of veterans and their spouses get jobs every year.

Mobilize volunteers

- ▶ Our volunteers are often located onsite at VA medical centers where they provide nearly 1.5 million hours per year, visiting veterans and assisting families in need.
- ▶ Each year, our volunteers provide nearly 615,000 rides to help veterans get to and from medical appointments at no cost to the veteran.
