## How we support all veterans and their families...

### Provide resources

- ▶ We distributed more than \$1.2 million in emergency financial assistance to veterans impacted by natural disasters in 2018.

- 
- ▶ Our benefit experts, who are veterans themselves, know how to navigate the VA system, help veterans obtain benefits and connect them to the support they need.
  - ▶ Our transition advocates, on military bases across the country, provide face-to-face support to help those leaving active duty access their benefits and successfully transition back to civilian life.

### Create employment opportunities

- ▶ We sponsor career fairs across the country and online that connect veterans with employers.
- ▶ Our tools, resources and opportunities help thousands of veterans and their spouses get jobs every year.

### Mobilize volunteers

- ▶ Our volunteers are often located on-site at VA medical centers where they provide over 1.3 million hours per year, visiting veterans and assisting families in need.
- ▶ Each year, our volunteers provide more than 625,000 rides to help veterans get to and from medical appointments at no cost to the veteran.
