IDAV[®]
KEEPING OUR PROMISE TO
AMERICA'S VETERANS

The journey from injury to recovery is not complete until veterans are able to find meaning in their lives. For those who are able, that means finding a new mission and caring for their families. As the nation winds down from nearly two decades of war, thousands are making the transition from military to civilian life.

DAV is committed to ensuring the men and women who stood up for America have the tools, resources and opportunities they need to competitively enter the job market and secure meaningful employment. Through our traditional VA benefits and claims assistance available at our co-hosted job fairs, DAV is helping to address one of the greatest needs facing our nation's heroes.

We respond not just to the needs of veterans returning home but to the needs of their entire families.

A nonprofit 501(c)(4) organization dedicated to the service of our nation's injured heroes, DAV is here to help you and to ensure you are not alone by:

- Providing free, professional assistance to veterans and their families in obtaining benefits and services earned through military service and provided by the Department of Veterans Affairs and other agencies.
- Linking veterans and their families with services that address their physical, emotional and financial needs.
- Connecting service-disabled veterans and their spouses to employment, entrepreneurship and education opportunities.
- Aiding veterans experiencing homelessness by providing food and shelter while connecting them to medical care, benefits counseling and job training.
- Providing emergency grants to wounded, ill and injured veterans affected by natural disasters.
