SUBJECT: Announcement of Humana's Renewed Partnership

I'm delighted to share that Humana has renewed its partnership with DAV. This continued collaboration supports key programs and events that advance our mission and expand services.

Partnership highlights include:

- Seminar sponsorship for the 2026 National Convention
- Special experience sponsorship for the DAV 5K
- Support for the DAV Caregivers Support Program

Humana will work with DAV's Corporate Partnership team to coordinate programs and events, which may include efforts that involve local departments and chapters. If a Humana field agent contacts your department or chapter to offer volunteer support or educational materials, please route these requests through the Corporate Partnerships team at partners@dav.org to ensure coordination.

Thank you for your continued support of partnerships that strengthen our work on behalf of veterans and their families.
