

LOCAL VETERANS ASSISTANCE PROGRAM

The needs of veterans forever changed in service are great and diverse. So are the abilities and talents of volunteers and organizations who donate their time and talents to honor our heroes.

The DAV Local Veterans Assistance Program empowers individuals to support veterans in a wide variety of ways. From providing direct assistance to veterans and their families to creating opportunities for those with unique talents and abilities to give back, it encourages and incentivizes volunteerism.

Through the program, DAV engages with companies and organizations who contribute to projects that support our heroes. It's also the avenue through which DAV recognizes those who offer pro bono professional services, provide specialized training or employ unique skills in creative ways. Activities can include hosting a free legal clinic, participating in a group beautification project at a local veterans home, or helping an individual or caregiver with yardwork or grocery shopping.

It's also a way to recognize active DAV and Auxiliary members who donate their time to support local initiatives and outreach efforts.

If you'd like to serve heroes in your community, please reach out to your local DAV chapter or department, or contact the DAV at **vavs@dav.org** or **877-426-2838**.
