SUBJECT: Renewed Partnership with Maximus

I am pleased to share that Maximus has renewed its partnership and has generously donated \$50,000 in support of our national convention, mid-winter conference and the DAV Scholarship program. Maximus provides technology and citizen engagement solutions to government agencies, including the well-known Veterans Evaluation Services (VES) organization under its umbrella.

Many of you may recognize VES as the sponsor of the well-attended “C&P Exams: What You Should Know” seminar at recent national conventions. These presentations prepare attendees for what to expect during the C&P exam process, one of the most frequently asked questions among transitioning service members. The Maximus team also plans to be involved in DAV Community Impact Day on April 4, 2026.

This renewal marks the sixth consecutive year Maximus has supported our mission. The partnership reflects the professionalism, dedication and impact of the work you do to advance our mission among audiences inside and outside the organization. For questions regarding the partnership, please contact partners@dav.org.
