AMERICA'S VETERANS

Becoming a member of DAV is one of the best ways to continue serving our country and other veterans. We are a strong and influential advocate for you and your family, and we fight on your behalf to ensure you receive the full range of services and protections you earned. We do this by providing free, professional assistance to all veterans and their families in obtaining benefits from the Department of Veterans Affairs (VA) and by advocating for the rights of ill and injured veterans on Capitol Hill. And we do it all for free, without any government funding.

Join nearly 1 million of your fellow veterans who are DAV members and discover the wide range of benefits available to you. As a DAV member, you are invited to take advantage of the Member Advantages Program, which gives you access to a variety of important programs, products and services. Also included with your membership is a FREE subscription to *DAV Magazine*.

DAV helps hundreds of thousands of veterans each year obtain needed benefits. No other organization has helped more veterans lead high-quality lives after service.

Lastly, please be sure to let us know which current DAV member assisted you with your application and/or made you aware of your membership eligibility by filling out the below sponsor information for our records.
