SUBJECT: DAV Community Impact Day

I'm pleased to announce that on **April 4** we will have our third annual **DAV Community Impact Day**. It's a great way for DAV members, families and friends of veterans to honor the sacrifices of those who've served.

It's been inspiring to witness this day's growth and to hear the stories of how Community Impact Day has spurred continued acts of service throughout the year and even led to chapters being revitalized. I'm looking forward to hearing the stories from this year's event.

Please consider pledging an hour of your day to volunteer for veterans in need in your community—and encourage others to join you. When you sign up, we'll send some ideas for how to serve.

DAV Community Impact Day can be the centerpiece for your chapter's broader volunteer initiatives and outreach. It's also a great opportunity to demonstrate to your local area DAV's commitment to our nation's veterans.

I encourage every person who's interested in volunteering to pledge their time at communityimpactday.org. If someone isn't available on April 4, they can still sign up to serve an hour on another day in April.

Remember, when we volunteer, our effort doesn't need to be grand—just heartfelt.

Thank you for all your hard work, time and dedication to our mission of empowering veterans to lead high-quality lives with respect and dignity. I'll see you out there!
