SUBJECT: DAV Community Impact Day

I am pleased to announce that on **April 5** we will have our second annual **DAV Community Impact Day**. The response last year was wonderful, and we're excited to see it continue to grow this year and beyond. DAV Community Impact Day is a way to encourage DAV members, families and friends of veterans to honor the sacrifices of those who've served.

We know all too well how time is our most precious resource, so when we give it, we demonstrate our values and priorities. We're asking that you consider giving an hour of your day—and encourage others to join you—to volunteer for veterans in need in your community.

For chapter leaders, this is a great recruiting opportunity that demonstrates DAV's commitment to the veteran community. DAV Community Impact Day can also be the centerpiece for your chapter's broader volunteer initiatives and outreach.

All interested participants should pledge their time at communityimpactday.org. When they do, they'll receive an email with how to make the most of the day, including service ideas and ways to connect with others. Even if someone isn't available on April 5, please encourage them to fill out the form and find at least an hour on another day in the month of April to serve veterans.

When we volunteer, our effort doesn't need to be grand, just heartfelt. And when we combine our efforts, we can do big things together.

I see that in all you do for DAV, and I thank you for all your hard work and your dedication to our mission of empowering veterans to lead high-quality lives with respect and dignity.
