**DATE:** September 15, 2026

**SUBJECT:** New partnership with DraftKings

I'm excited to announce a new partnership between DAV and DraftKings in support of the DAV Transportation Network. DraftKings is a digital sports and gaming provider. Through its DraftKings SERVES program, DraftKings will donate $50,000 to help fuel the Transportation Network, which provides free rides to and from Department of Veterans Affairs medical appointments for ill and injured veterans.

Volunteer Transportation Network drivers provide more than 230,000 rides annually. Support from partners like DraftKings helps DAV continue to ensure veterans can access the medical care they've earned without transportation standing in their way.

We're grateful for DraftKings' partnership and its commitment to our nation's veterans. Its support will help ensure more veterans have access to reliable transportation when they need it most.

For more information, contact partners@dav.org.
