SUBJECT: Reminder—DAV 2025 Mid-Winter Conference

In anticipation of a successful conference, we look forward to seeing department delegations in person Feb. 23–26, at the Crystal Gateway Marriott, 1700 Richmond Highway, in Arlington, Virginia.

A [tentative agenda](#) for the DAV 2025 Mid-Winter Conference has been posted on the DAV website under “Events,” and you are urged to confirm your plans to attend this important event.

One of the most effective forms of lobbying is—and will remain—personal visits with elected officials. Therefore, we encourage you to make arrangements to visit with your members of Congress and their staffs. The national legislative team will be on-site ahead of your meetings to brief you on our 2025 Critical Policy Goals and legislation affecting veterans benefits and health care.

We also urge those who cannot attend the mid-winter conference to schedule local meetings with lawmakers before or after the event. When you make appointments with your elected representatives, they may ask what topics or issues you would like to discuss during the meeting. You can forward a copy of DAV’s summarized 2025 Critical Policy Goals [here](#).

The full version of our 2025 Critical Policy Goals have been posted on DAV’s website and can be found [here](#). Printed copies to leave behind at your Capitol Hill meetings will be available in the hotel at the registration desk and at the **Benefits Protection Team Workshop**, scheduled for **1–3 p.m. Sunday, Feb. 23**. Please join us at the workshop for an update on current legislative issues and priorities for 2025—the first session of the 119th Congress. The achievement of our advocacy goals depends greatly on grassroots participation and your efforts to educate and inform elected officials about DAV’s priorities. [Click here](#) for guidelines to help you prepare for, schedule and follow up after meetings with members of Congress.

This year a **new registration process** will be in place for the conference, and badges will be provided to attendees. To ensure a timely check-in process, we need to ensure we have all the names of members attending the conference.

February 11, 2025

Once you make your appointments with your elected officials, we request that the following information be provided to the legislative department no later than **Wednesday, Feb. 12**, via email to LegislativePublic@dav.org.

- The names and titles of DAV/DAV Auxiliary members attending conference.
- Dates, times and room numbers of any in-person congressional appointments, either member or staff appointments.
- A list of any other planned activities with members of Congress.

Finally, the national commander has been invited to testify before a joint session of the House and Senate Veterans' Affairs Committees at **10 a.m. Tuesday, Feb. 25**. DAV members are encouraged to attend the hearing in person. The commander's reception will be held that evening from **6:30-8:30 p.m., Feb. 25** at the Crystal Gateway Marriott. Please invite your elected officials and their staffs to attend.

Stay tuned for additional updates as information becomes available. I look forward to seeing each of you at DAV's 2025 Mid-Winter Conference.
