We are pleased to announce that myDAV, including the Membership CRM and related functions, is now fully available and operational.

Thank you for your patience as we completed our year-end reporting process. This work was necessary to ensure the accuracy and integrity of membership and reporting data as we begin the new reporting year.

We sincerely apologize for the extended outage and any inconvenience it may have caused. We appreciate your understanding and cooperation throughout this process.

Thank you for your continued support.

Lamarr Couser
National Membership Director
