SUBJECT: New partner, Kozy Wheels, is giving back to DAV

I'm delighted to announce a new partnership with Kozy Wheels, an online store that creates blankets specifically designed for wheelchair users. From now until Oct. 14, 2027, Kozy Wheels will donate \$10 for every wheelchair blanket sold.

Machine washable and made to fit most wheelchair models, Kozy Wheels now offers two wheelchair blankets for adults—one with a mesh bottom and one designed for taller individuals without a mesh bottom. Crafted from weather-resistant quilted fabric and lined with ultra-soft plush, the blankets provide both comfort and all-weather protection. Their design features secure Velcro closures for easy use and an adaptable fit, even with medical devices such as catheters. You can learn more and purchase Kozy Wheels blankets on their [website](#).

I'm grateful to Kozy Wheels for their decision to give back to our cause and for creating a product many of our members would enjoy. For any questions about the partnership, please email partners@dav.org.
