SUBJECT: Partnership with Henry Repeating Arms

DAV is proud to announce an exciting partnership with Henry Repeating Arms, an American-made firearm company founded in 1860. Henry Repeating Arms is the leading lever-action manufacturer of masterfully crafted lines of classic, well-crafted firearms. In support of our mission, they are releasing two limited edition DAV-engraved rifles, the Golden Boy and the Big Boy. Proceeds up to \$75,000 will support DAV and only 1,000 rifles will be produced.

Henry Repeating Arms began its commitment to DAV in 2022 with a generous donation of \$50,000. The company will have a booth at the 2023 DAV & DAV Auxiliary National Convention sponsor exhibit for members and supporters to have first access to sign-up. Starting August 5, rifles will be available on their online store at henryusa.com/dav.

We are grateful for the continued partnership. For more information, contact partners@dav.org or visit henryusa.com.

Sincerely,

Barry A. Jesinoski
DAV National Adjutant
