SUBJECT: SPYPOINT partners with DAV in honor of Veterans Day

I am pleased to announce a new partnership between DAV and SPYPOINT, a leading innovator in trail camera technology. SPYPOINT chose to partner with DAV in honor of Veterans Day, and although the holiday has passed, we remain deeply grateful for the lasting impact of their support.

This marks our first collaboration with SPYPOINT, which has grown from a small startup in 2004 to a global brand trusted by hunters worldwide. Built by hunters, for hunters, SPYPOINT offers technology that enhances the hunting experience while maintaining a deep respect for nature and the traditions of the outdoor community.

We are thankful for SPYPOINT's generous contribution and commitment to honoring the service and sacrifice of America's veterans. For additional partnership information, contact partners@dav.org.

Thank you for supporting our growing network of partners and for all you do each day on behalf of our nation's veterans.

Barry A. Jesinoski
National Adjutant
