DAV's mission of empowering veterans to lead high-quality, fulfilled lives relies on the kind-heartedness of the men, women and young adults that volunteer.

We have thousands of devoted volunteers across the country providing the best possible care, morale and assistance to our nation's heroes.

In **2022**, DAV dedicated almost **\$30 million** to voluntary service initiatives through our vast network of programs.

DAV has revamped the volunteer for veterans website to make it easier for veterans to find the help they need by going online and simply clicking one button!

You can also sign up for DAV's many programs while you're here!

Local Veterans Assistance Program (LVAP)

The Local Veterans Assistance Program (LVAP) was created to allow the many volunteers who want to be involved with veteran support activities outside the VA medical facilities to record their hours of volunteerism and report them to the DAV.

LVAP allows people to provide needed services to veterans and their families as DAV volunteers. It honors our organization, encourages and recognizes volunteerism.

LVAP initiatives are managed by state-level DAV departments and are carried out through our departments, chapters, auxiliary units, associated organizations, corporations and individual volunteers.

In **2022** there was a total of **1,751,591** volunteer hours reported with **285,112** hours reported for DAV's Department and Chapter Service Officers. This is an additional **\$8.5 million in savings** for the Veterans Administration that the DAV volunteers provide through their services.

Local Veterans Assistance Program (LVAP)

LVAP volunteers can dedicate their time in the following ways:

- Department and Chapter Service Officer work
- DAV specific outreach efforts and fundraising efforts
- DAV/DAV Auxiliary special events (state fair, homeless assistance including stand downs, etc.)
- Direct assistance to veterans, surviving spouses, or families
- Seminars, training, and activities designed to operate department and chapter smoothly
- Legislative support - Benefits Protection Team Leader (BPTL)

VA Voluntary Services Program (VAVS)

The Department of Veterans Affairs Voluntary Service Program (VAVS) is one of our most significant volunteer initiatives.

The VA Voluntary Services Program provides a broad array of services to veterans in VA health care facilities throughout our nation.

Volunteers bring an extra service to the care and treatment of veteran patients that cannot be provided by paid staff regardless of their size and effectiveness.

Our DAV VAVS State Chairpersons and Representatives carry out an important role for DAV; recruiting volunteers, attending quarterly meetings and reporting VAVS hours to DAV National Headquarters.

In **2022** the DAV and DAV Auxiliary logged a total of **546,680** volunteer hours within VA hospitals across the country. With an approximate total of **\$16,373,068 in savings** the VA can put towards updating facilities and the care of their patients/residents.

The following are a few traditional ways you can assist as a DAV volunteer in a VA facility:

- Escorting patients, library circulation and processing assistance.
- Information desk receptionists.
- Preparing displays and assisting patients in menu selections in nutrition and food service.
- Helping with the clinical preparation procedures and patient-motivation activities in the physical therapy clinic.
- Helping patients with socialization and other therapeutic activities.

Transportation Network (TN)

The DAV Transportation Network is the largest program of its kind for veterans in the nation.

This program ensures our veterans, who may not have access to reliable transportation, are able to get to their VA health care appointments.

Transportation Network (TN)

DAV Hospital Service Coordinators play an important part in our efforts to assist injured and ill veterans. They are the front line for the DAV Transportation Network, by scheduling rides, keeping vehicles running safely and reporting volunteer activities to DAV National Headquarters.

DAV Scholarships Program

Since its inception, DAV has awarded **231** individual scholarships, including this year's winners, valued at more than **\$1.86 million**, which enables these exceptional young people to pursue their goals in higher education and experience the value and satisfaction of volunteering.

This program was designed to encourage youth volunteers to become active in the DAV's Local Veterans Assistance Program (LVAP) and/or the Department of Veteran Affairs Voluntary Service Program (VAVS).

DAV now offers ten scholarships that are awarded annually totaling **\$110,000** to help fund the recipients higher education.
